Source aftermarket carbon fiber parts for the Audi A4 B9 PA through our catalog for tuning shops, distributors, automotive parts retailers and aftermarket brands. Established in 2006, our factory in China combines carbon fiber manufacturing experience with customer insights from operating our own direct-to-consumer brand. Our tooling library spans more than 1,500 molds across our overall product range. This manufacturing and retail background helps us understand the importance of clear version-specific product information when businesses source carbon fiber components for Audi A4 customization projects. For Audi A4 B9 PA wholesale enquiries, send the catalog item numbers, model year, body style, trim and bumper specification, quantities and delivery country. Include front and rear vehicle photos where needed to confirm the version referred to as B9 PA in this catalog. For OEM manufacturing, custom carbon fiber parts or private label supply, provide drawings or sample details, target application, material and finish specifications, dimensional requirements, branding needs and expected order volume. Contact us to discuss manufacturing feasibility, tooling, inspection criteria, minimum order quantities and lead times. Website: www.ccfpr.com WhatsApp: +86 134 2769 0360 Email: info@ccfpr.com
