Source aftermarket carbon fiber parts for the Audi A4 and S4 B9 through our catalog for tuning businesses, distributors, automotive parts retailers and aftermarket brands. Established in China in 2006, our factory combines carbon fiber manufacturing experience with direct customer insight from operating our own retail brand. Our tooling library includes more than 1,500 molds across our overall product range. This combination helps us understand the product information and application distinctions that trade customers need when comparing carbon fiber components for A4 and S4 B9 vehicles.

For Audi A4 and S4 B9 wholesale pricing, send the exact model, year, body style, trim and bumper specification, catalog item numbers, quantities and delivery country. Identify the vehicle's pre-facelift or facelift configuration and confirm compatibility for each selected item. For OEM carbon fiber manufacturing, custom components or private label enquiries, provide drawings or sample details, material and finish specifications, dimensional requirements, branding needs and estimated order volume. Contact us to discuss manufacturing feasibility, tooling requirements, inspection criteria, minimum order quantities and production terms.
