Review our aftermarket carbon fiber parts catalog for the Audi S4 B9 PA, developed for Audi performance specialists, distributors, automotive parts retailers and aftermarket brands. Established in 2006, our factory in China brings together manufacturing experience and market knowledge from operating our own direct-to-consumer brand. With more than 1,500 molds across our overall product range, we provide an established manufacturing background for catalog sourcing and custom development enquiries. Our retail experience reinforces the value of clear vehicle-version information and finish requirements when trade buyers select S4 carbon fiber upgrades. For Audi S4 B9 PA wholesale quotations, provide the selected item numbers, vehicle year, body style, quantities and delivery country. Include vehicle photos where necessary to confirm the B9 PA application and identify any modifications affecting installation. For OEM manufacturing or a private label carbon fiber range, submit drawings, reference photos or sample details, material and finish requirements, dimensional specifications, branding needs and estimated quantities. Contact us to review development feasibility, tooling, inspection criteria, minimum order quantities and lead times. Website: www.ccfpr.com WhatsApp: +86 134 2769 0360 Email: info@ccfpr.com
