3			后唇 Rear diffuser	F30	CF
4			中网 Front grille	F30	CF
5			尾翼 Rear spoiler	F30	CF
6			机盖 Hood	F30	CF

Source aftermarket carbon fiber parts for the BMW 3 Series F30 through our catalog for tuning shops, automotive parts distributors, retailers and aftermarket brands. Established in 2006, our factory in China combines carbon fiber manufacturing experience with first-hand customer knowledge from operating our own consumer brand. We maintain a tooling library of more than 1,500 molds across our overall product range. Our production and retail background helps us understand why accurate trim, bumper and application details are important when businesses source carbon fiber components for F30 upgrade projects.

For BMW 3 Series F30 wholesale pricing, provide the exact model, production year, exterior specification, selected item numbers, quantities and delivery country. State whether the vehicle has its original bumpers or an aftermarket styling conversion, and include reference photos where necessary. For custom carbon fiber parts, OEM manufacturing or private label projects, submit drawings or sample details, material and finish requirements, dimensional specifications, branding needs and estimated order quantities. Contact us to review manufacturing feasibility, tooling requirements, inspection criteria, minimum order quantities and production lead times.
