27			V款后包角 V-style rear corner	F80 F82 F83	DCF
28			后包角 Rear corner guard	F80 F82 F83	DCF

Review our aftermarket carbon fiber parts catalog covering the BMW M3 F80 and M4 F82/F83, developed for BMW tuning shops, distributors, automotive parts retailers and aftermarket brands. Established in China in 2006, our factory combines production experience with practical customer insight from operating our own direct-to-consumer brand. Our tooling library spans more than 1,500 molds across our overall product range. This combined catalog supports model-specific product selection and does not imply that components are interchangeable across the M3 sedan, M4 coupe and M4 convertible.

For BMW F80, F82 and F83 wholesale quotations, identify the exact chassis, model year, body configuration, selected catalog items, quantities and delivery country. Specify whether the vehicle retains its original configuration or has undergone a styling conversion. For custom carbon fiber parts, OEM manufacturing or private label enquiries, submit drawings, reference photos or sample details, material and finish requirements, dimensional specifications, branding needs and estimated quantities. Contact us to discuss manufacturing feasibility, tooling, inspection criteria, minimum order quantities and production terms.
