13			尾盖饰件 Tail cover trim	812	DCF
14			门槛 threshold	812	DCF

This draft catalog is intended for aftermarket carbon fiber parts currently identified as “Ferrari 812”; the vehicle designation must be confirmed before publication or fitment enquiries. Established in 2006, our factory in China serves tuning shops, distributors, automotive parts retailers and aftermarket brands. We operate our own direct-to-consumer brand and maintain a tooling library of more than 1,500 molds across our overall product range, combining manufacturing experience with an understanding of retail presentation and customer requirements.

Before requesting a quotation, provide the correct Ferrari model designation, vehicle year, reference photos and selected catalog item numbers. Include quantities and delivery country for wholesale enquiries. For OEM manufacturing or private label development, submit drawings or sample details, material and finish specifications, dimensional requirements, branding needs and estimated order quantities. Contact us to discuss the confirmed application, manufacturing feasibility, tooling and production terms.
