32			OEM轮眉 OEM Wheel Arches	23- Urus	DCF
33			TC款轮眉 TC Fender	Urus	DCF

Explore aftermarket carbon fiber parts for the Lamborghini Urus from our manufacturing factory in China. This catalog supports wholesale sourcing by SUV tuning specialists, automotive parts retailers, distributors and aftermarket brands. For product selection and quotation, send the catalog item numbers, exact Urus version, model year, quantities and delivery country. Include photos of the vehicle and relevant mounting areas where needed, particularly if it already has aftermarket modifications. Confirm each item's listed application before ordering. For OEM carbon fiber components or private label product ranges, provide drawings or sample details, material and finish specifications, branding requirements and estimated order volume to discuss manufacturing feasibility, tooling and production terms.
